## CLASSICAL CHRISTIAN SCHOOL

### Recurring Gifts FAQs

**Q** *What if we receive tuition assistance? How will it be perceived if I have extra money to donate?*

**A** Tuition assistance is determined by many variables which include ability to pay after basic living expenses. Christian philanthropy is a basic living expense. We hope that Holy Trinity will be a philanthropic priority for all of our families. Your small sacrifice sends a message of unity in our mission that is priceless when reaching out to the community at large for support.

**Q** *I can only afford \$10/month. That is not enough to make a difference.*

**A** Our faculty gifts are small individually but collectively produce almost \$23,000.00 a year. If each staff, parent and grandparent gave \$10/month we could raise nearly \$100,000.00 a year. This source of income reduces operating expenses, improves budgeting and secures the sustainability of the faith-based tuition policy - which keeps tuition low for everyone!

**Q** *Why are teachers and staff giving through payroll deduction?*

**A** Everyone of our faculty has answered a calling to serve the Lord through Holy Trinity. They have an unwavering faith in our mission and support the faith based tuition policy. This fall the faculty was asked to help us reach our 100% participation goal for giving to the Holy Trinity Fund. Payroll deduction enabled them to give in small increments that fit in their monthly budget. When families and staff make Holy Trinity a philanthropic priority it sends a message of solidarity to potential investors. This will help us as we seek support from the community to grow our campus.

**Q** *So the matching gift means my donation is worth twice as much?*

**A** Sign up online for recurring donations now. Anything received in February from online recurring donations will be matched. We may occasionally have sponsors match future months. Stay tuned.

**Q** *Why should I give more? Doesn't our tuition cover expenses?*

**A** The Faith Based Tuition Policy ensures a discounted tuition for all students - up to 20% below operating expenses. This is designed to encourage our entire Christian community to share in the cost of this unique education. Watch the Did You Know Video (link) - 100% family participation is important to illustrate our unified commitment to this mission.

**Q** *Where do I sign up?*

**A** Recurring gifts can be automatically charged to your credit or debit card using our secure online system. [SIGN UP HERE!](#)
